# APPORTIONMENTS

**H**ow many times have we heard, “Why do we need to pay apportionments?” “What does it get me/my church?”

Apportioned giving is a term which describes how the money you give to your church each week is divided and distributed throughout the United Methodist Church. Through you and your support of apportioned giving, we are able to participate in the ministry and mission of the United Methodist Church both locally and around the world. The main way we support the ministries of the church is through our apportioned funds. For us, United Methodists, this method of giving has become a strong, generous tradition. Together, through our connected congregations, we accomplish what no single church, district or annual conference ever could hope to do alone. In this way, each individual, each family, each congregation gives a fair share for the church's work. We combine our prayers, presence, gifts, service, & witness to make a significant difference in the lives of God's people.

Apportionments are fuel for ministry. They enable us to share the concerns of many people.

When we work together as God's children and pool our giving, we are able to see the word 'apportionment' not as a constricting budget item but as a vehicle bringing God's grace into our churches, our conference, and beyond. When you give to your local United Methodist Church, your giving is divided into many pieces, and travels to many different places.

Apportionment giving affords us an opportunity to help the least, last, and lost among us. We can participate in aiding children with AIDS, speak against violence in the Middle East and support missionaries, pastors, and teachers around the world. Africa and Korea are the fastest growing Christian communities in the world, and the United Methodist Church has an active presence there.

Victims of disasters will receive support with little or no administrative cost. Trinity UMC has a long tradition of paying her apportionments in full. It hasn't always been easy nor is it now, but I am in awe at how God uses the United Methodist Church to make a positive difference in our world. I pray that we will do our part. Please consider these thoughts: **Jesus tells us: 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'** - Matthew 25

God continue to bless us all.
